Tracy Avenue (Benton Avenue to Vernon Avenue) Reconstruction Project

Dear Residents:

Construction Begins

Construction is scheduled to begin the week of June 25 and end by October 31. Eureka Construction is the prime contractor. We will send out weekly City Extra's on Fridays to keep everyone updated on construction activities. If you do not have access to a computer and would like a printed copy of the City Extra email please let me know.

Detour

An official detour will be set up to divert cut-thru traffic. The official detour will be Olinger Boulevard to and from Vernon Avenue, from the north and south, and Hansen Road to Vernon Avenue from the east. Tracy Avenue will be open for local residents only.

Who to Contact with Questions and Concerns

Please call me, Andrew Plowman, WSB's Project Representative at 763.287.7149 to discuss any concerns or questions you might have regarding the project or email me at aplowman@wsbeng.com. Or you may contact the project inspector, George Bender at 612.360.1321

Safety

Please remind children to stay away from the construction sites. Safety is our number one concern.

Who to Contact in an Emergency

911 for life or property-threatening emergencies.

Garbage and Recycling Pickup

We will work with garbage/recycling to pick up your garbage as early as 6:00 a.m. Please have everything out to the curb the night before to avoid missing the pickup.

Special Events or Access Needs

Please call me if you have special events or access needs. The contractor will work with you as much as possible to accommodate your needs.

Irrigation, Pet Containment, and Driveway Heating Systems

Please mark the location of these systems near both sides of the existing blacktop roadway. Contact me if you have any questions about how best to locate and mark your system. The markings will help minimize damages.

Communications

In addition to the City Extra emails you can follow us on Twitter@TracyAvenueProj.

All dates are approximate and is subject to delays caused by inclement weather.

Sincerely,

Andrew Plowman, PE
